MEMORANDUM FOR THE RECORD

At approximately 3:45 PM, I met privately in my office at Fairhills Mall with Council Vice President William G. Harvey. I presented him with a letter signed by the Council President, Richard Mills, dated December 21, 1978 and addressed to Gregg D. Weber of Riverton, Illinois. The letter suspended Mr. Weber's membership in the Boy Scouts of America.

Immediately thereafter, I asked Mr. Weber to join us. In Mr. Harvey's presence I personally delivered to Mr. Weber the letter from Justice Mills. I permitted him time to read the letter.

I then informed him of the following.

1. The reason for suspension of his membership in the Boy Scouts of America was that he had stipulated to the Eleventh Judicial Circuit Court of Illinois, that there are facts supporting the charge of battery and that he had been placed under court supervision for one year.
2. That we were not sharing this information with anyone.
3. That he was to cease all Scouting activities at once.
4. He had the right to seek review of his case in the manner outlined in Justice Mills's letter.

Mr. Weber's only significant reaction was that of some confusion. He seemingly was of the impression that the charges against him had been dropped. He indicated he received that impression from his attorney.

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the BSA.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the Boy Scouts of America seeks to provide the American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.
